# THINGS TO KNOW

## THINGS TO KNOW

### Door

The door is a connected door. It open/close automatically.  
To open it from inside, simply push the big grey button.

### Heating

To keep cozy during colder months, adjust the thermostat to your preferred temperature. For energy efficiency, consider using a sweater before raising the heat. The idea temperature is 19°.

### Drinking Water

Water from tap is filtered and drinkable. Enjoy refreshing showers with our consistently strong water pressure, and please remember to run the tap for a few seconds before using hot water for optimal temperature.

# THINGS TO KNOW

## **Sofa bed**

The sofa bed opens by pulling from the top, there is nothing else to do.

Please do not force it and contact me if you have any problems.

## THINGS TO DO

With the help of the Multi-pass you can do all this activities for free in the summer.

4 Multi pass are available in the apartment.

**Please note that the multipass does not work with the mountain bike.**
